

## **RANDOM ALCOHOL AND DRUG TESTING**

It is the desire of the board of Education, administration and staff that every student in the Grove School District refrains from using or possessing illegal drugs, district officials realize that their power to restrict the possession or use of illegal and performance-enhancing drugs is limited. Therefore, this policy governs only performance-enhancing and illegal drug use by students participating in OSSAA activities and/or parking on school grounds. The sanctions imposed for violations of this policy will be limitations solely upon the opportunity of any student determined to be in violation of this policy to participate in extra-curricular activities and/or park on school grounds. No suspensions from school or academic sanctions will be imposed for violations of this policy. This policy supplements and complements all other policies, rules, and regulations of the Grove Public School District regarding possession or use of illegal drugs. Participation in school-sponsored interscholastic extra-curricular activities at the Grove Public School District is a privilege. Students who participate in these activities are respected by the student body and are representing the school district and the community. Accordingly, students in extra-curricular activities carry a responsibility to themselves, their fellow students, their parents and their school to set the highest possible examples of conduct, sportsmanship, and training, which includes avoiding the use or possession of illegal drugs.

The complete version of Random Alcohol and Drug Testing Policy is available in the high school Principal's office and at [www.ridgerunners.net](http://www.ridgerunners.net).
